Annual fixed compensation is maintained at **1,138,307 euros (gross)** for 2026, identical to the amount paid in respect of 2025.

2./ Gross variable compensation paid in 2026 in respect of 2025

The financial (quantifiable) criteria relate to growth in the Group's revenue, profit from recurring operations and cash flow relative to the budget trajectory for the year in question and account for 50% of total variable compensation for Bernard Arnault. Criteria related to strategy, management, CSR and sustainability account for 50% of Bernard Arnault's total variable compensation, broken down as follows:

- criteria related to strategy and management (qualitative): 70%;
- criteria related to CSR and sustainability (quantifiable and qualitative): 30%.

Variable compensation is capped at 250% of fixed compensation.
